SEEING IN THE MOUTH WITH SUPER POWERED EYES

TOTAL HEALTH DENTISTRY AND PRACTICE PROFITABILITY

Would you like to position your practice as a leader in your community and reduce your dependency on insurance? Would you like to inspire patients toward a lifetime of dental and overall health?

Learn how the trends in lifestyle-related illnesses such as obesity, diabetes, heart disease, sleep apnea and acid reflux closely intertwine with periodontal disease, caries, and oral cancer. Systemic disease screening, intervention and facilitation are possible, right in the dental chair. This program will help you add new sources of revenue, lift your morale, attract quality new patients, and build physician referral relationships.

- Learn to connect the many links between oral disease and systemic disease
- Identify risk factors and screening tools for systemic diseases
- Learn to transition from pharmaceuticals to food for health
- Begin Facilitating lasting health change behaviour in children and adults
- Build infant, children, teen & geriatric systemic health programs
- Grow your network by turning Physician referrals into strong co-referral relationships
- Become a niche market by building a Total Health dental practice in your community
